TO ONE FOLLOWING CHRIST

Mrs. Elizabeth Rhodes came to Toronto Bible College in 1939, the year that her husband was appointed to the Faculty of the College as Instructor in Theology.

When Dr. J.B. Rhodes was promoted to the office of Principal in 1946, Mrs. Rhodes became the gracious hostess in the Principal's Apartment at 16 Spadina Road. Many students have grateful memories of Mrs. Rhodes' kind hospitality. Her warm, friendly nature and her sympathetic counselling ably complemented her husband's much appreciated teaching ministry.

Mrs. Rhodes is, however, a qualified teacher herself. In the early years she was always ready to step into the gap when other lecturers were unavoidably absent, and from 1945-1950 she had a regular mathematics class in the old Preparatory School. When this was replaced by the Matriculation Department, Mrs. Rhodes increased her teaching load to include algebra, English, geography and history.

Mrs. Rhodes is currently teaching in the Bible School, the separate department for students who have lower than Grade XII high school standing, and her subjects are Church history, English, and historical geography of Bible lands.

This year we celebrate Mrs. Rhodes' quarter of a century of faithful and devoted service to God in Toronto Bible College. An able and dedicated teacher, she loves both her subjects and her students. Many a student has come to know the joy and fascination of study under her skilled direction.

With gratitude to God for her service, we salute Mrs. Rhodes and dedicate our Gateway to her with the prayer that she may long continue her greatly valued ministry in Toronto Bible College.

Message from the President

"FOLLOW ME ..." ~

These words are so simple that a child can understand them. One does not need a college education to appreciate their meaning. But it becomes increasingly apparent that it is not safe to follow all who beckon. We constantly read of innocent children being lured into tragedy and death. We learn of well-meaning young people being attracted to greener pastures, only to discover too late that there is famine in the land. In a day of materialism, multitudes have gone captive to the god of this age. So evidently it is not safe to heed every call.

But in the midst of confusing sounds, one Voice can be trusted. It belongs to the One Who said, "I am the Door; by Me if any man enter in, he shall be saved." How reassuring to know in this day of uncertainty that, concerning the one thing that really matters, we may possess a positive knowledge!

Accordingly, these otherwise simple words, "Follow Me", assume the greatest meaning and significance when responded to initially. This is the "Follow Me" of salvation. Salvation by grace, through faith, is the gift of God to the guilty

sinner, and the completed transaction places the outcast within the family of God, and accords him all of the attendant privileges forever, Glory be to His Name!

But privilege carries with it responsibility. Jesus said, "His sheep follow him: for they know his voice". This is the "Follow Me" of service. This has to do with consecration and dedication. "What wilt Thou have me to do?" is the constant heart-cry of the devoted saint. Shall I be a nurse, a doctor, a lawyer, a missionary, a businessman? This is a question for the individual to resolve before God. To be sure, God does not call everyone to the ministry. But of one thing we may be certain. He has a plan for every life. Furthermore, He will reveal that plan if we earnestly seek to know it.

God has wonderfully led at the Toronto Bible College for these seventy years. Our prayer and constant concern is that He might continue to do so in the years ahead. It follows that when and where He leads, there will be unspeakable blessing.

DR. STEWART L. BOEHMER. To serve as the fifth president in the long, 70 year history of Toronto Bible College, the Lord has chosen Rev. S. L. Boehmer, D.D., longtime member of the Board of Governors and noted leader in the field of Christian Education.

Dr. Boehmer is a Canadian from Kitchener, Ontario, and a graduate of Moody Bible Institute. He has held pastorates in Waterloo, Ont. (First Baptist Church), and in Toronto, (Calvary Church, of the Associated Gospel Churches of Canada). Both of these churches saw unusual expansion under his ministry. Missionary interest and offerings increased, Sunday School expanded and church membership grew, necessitating a building program.

In 1955, Dr. Boehmer was honoured for his notable work in Christian Education, by Wheaton College, which conferred on him the degree Doctor of Divinity, HONORIS CAUSA.

He has been associated with many mission societies and other Christian organizations, and has travelled extensively in Africa, the middle East, Europe and South America. Lecturing and preaching have carried him all over North America.

A throat condition forced him out of the pastorate, and he became managing director of the M. P. Foundation, which position he left to come to T.B.C.

His business, pastoral and Christian Education training will all be combined in his new capacity and great challenge as President of Toronto Bible College. The needed expansion and development of Canada's oldest Bible College, under the blessing of God, should be realized in the years that lie ahead. To this task, Dr. Boehmer has dedicated himself.

Follow me..."for I have appeared unto
thee for this purpose, to make thee a
minister and a witness..." Acts 26:16

The Lord Who called the Apostle, setting him apart as a minister of His grace and a witness to His glory, continues to summon men and women into His service. As the risen and exalted Head of the Church, He continues to manifest His authority, His power, and His love by sending them to the nations "to open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive the forgiveness of sins, and inheritance among them which are sanctified by faith that is in Me."

It is the awareness of this common calling and common purpose that binds us together in a wonderful unity at T.B.C. We were scattered over the face of the earth when Christ's call came to us: in Hong Kong; in Ghana, Nigeria, and Rhodesia; in Germany, Scotland, England, and Ireland; in Jamaica, Bermuda, the United States, and Canada. But by one means or another - the testimony of a graduate, the ministry of the chorale, the recommendation of a missionary leader - the call also came to train at Toronto Bible Collage. Now differences of nationality and race mean little, since we are "all one in Christ Jesus."

We feel deep love and real loyalty to that branch of the Church in which we have been nurtured and which we hope to serve. But here we learn to appreciate the oneness of that true Church of Christ universal of which we are all a part; and studying, praying, working together - Anglican and Brethren, Pentecostal and Presbyterian, some twenty-five denominations in all - we are able to evidence something of that practical, VISIBLE unity for which our Lord prayed, in order that the world may see and "may know that Thou hast sent Me, and hast loved them, as Thou hast loved Me."

Our Lord has called and we are following. May He Who has given us purpose grant us perseverance also, that we may be able to say with the Apostle: "I was not disobedient unto the heavenly vision."

"YOU practise what WE preach."

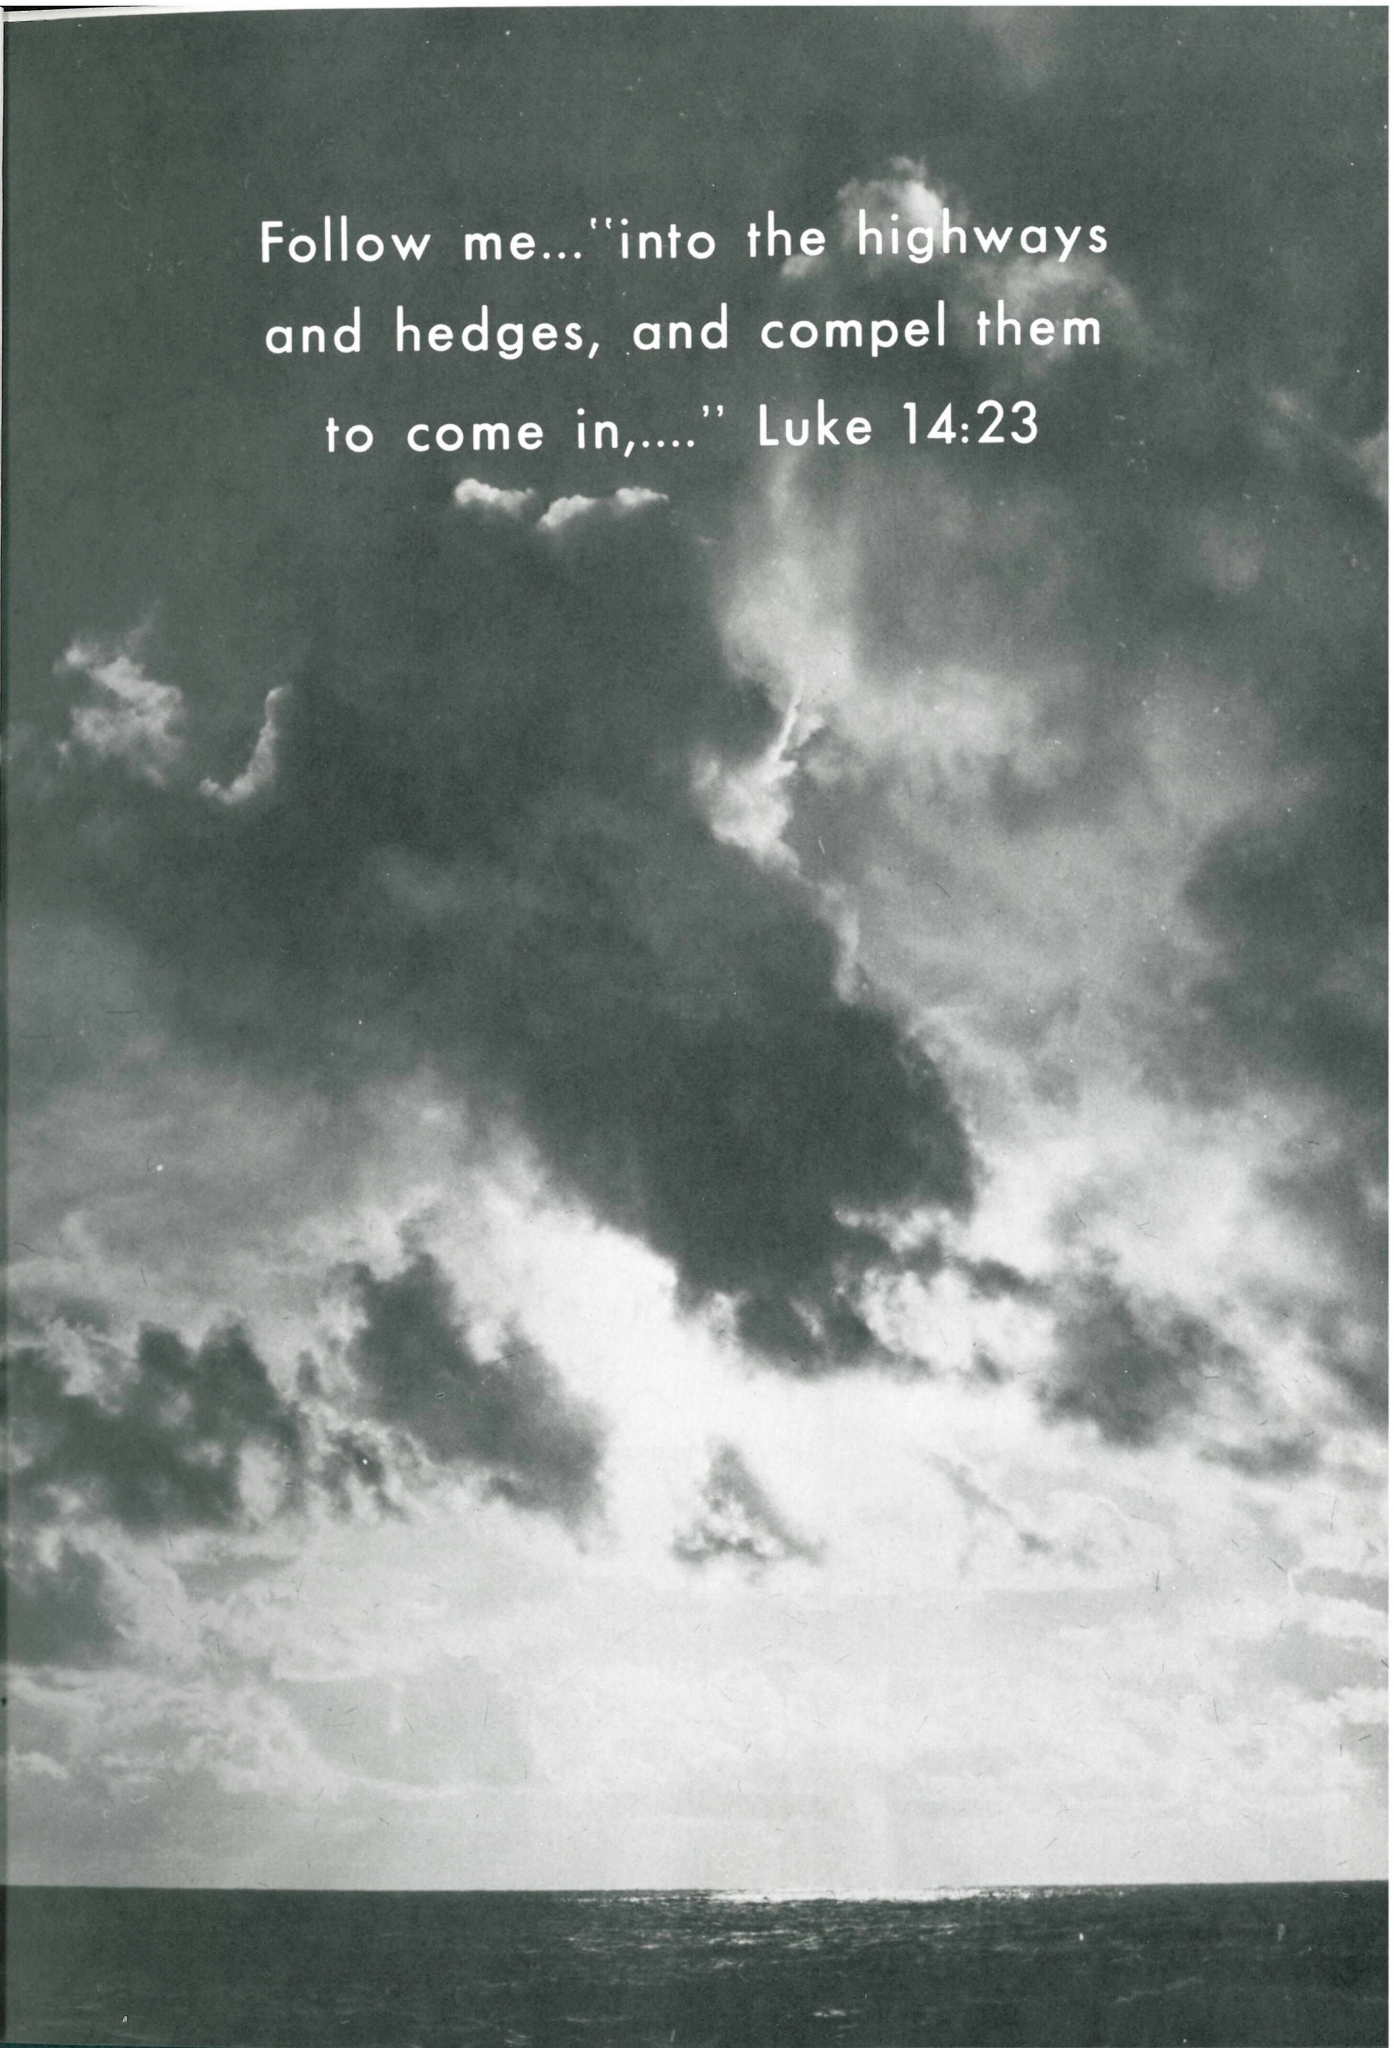

This is one way of expressing the philosophy of the Faculty in relation to field work at Toronto Bible College.

For seventy years now the College has had a two-pronged thrust in its training program. The objective of the school has always been to graduate young men and women who are both academically and practically qualified for the service of our Lord. Field work here is not an optional extra, but an integral part of the course, requiring a satisfactory grade before graduation.

The strategic location of T.B.C. in the centre of Ontario's capital city contributes greatly to this purpose. Many of the churches and missions with which the young people serve are within a two-mile radius of the school itself. This affords the students at T.B.C. a unique opportunity to "learn by doing".

Over the years the field work department of the College has developed contacts with multitudes of churches and church organizations of many denominations, which gladly open their doors to T.B.C. students. The chorale spring tour, trio and quartet tours, T.V. and radio appearances, week-end evangelistic teams, as well as the regular week by week appointments, all tell the story of a well-balanced field work program designed to prepare students for whatever lies ahead. The highlight of the school year is the inter-church evangelistic crusade, which sees the entire student body move into a needy area to hold preaching services and children's meetings, and personally visit some ten thousand homes.

The field work program at T.B.C. involves far more than a mere fulfillment of so many compulsory units of work. The faculty and students alike find great delight in these ministries of evangelism, teaching, and music. They are following Christ Who said, "Go out into the highways and hedges, and compel them to come in".

Life is made up of days, the diurnal round, and mine at T.B.C. follow a fairly set pattern.

My Day as a student of T.B.C. begins at an unearthly hour, with the peremptory alarm that effectively awakens me, and I suppose most of the Residence. And it is an "unearthly" hour, for right there I meet with God. The Quiet Time, the Morning Watch - a wonderful way to start the day.

My Day includes meals, and three times a day the pungent aroma and delicate flavours of home-cooking trap the unwary into spoiling calorie charts.

My Day of classes begins in the school of prayer, and with students of like precious faith, I share the burdens, needs and praises of my heart.

My Day runs like clockwork (or bell work) from then on. Bible hour, when we are able to start "thinking through the Bible" to see the wonder and majesty of God, and His plan of redemption in the Lord Jesus Christ, sets the pace.

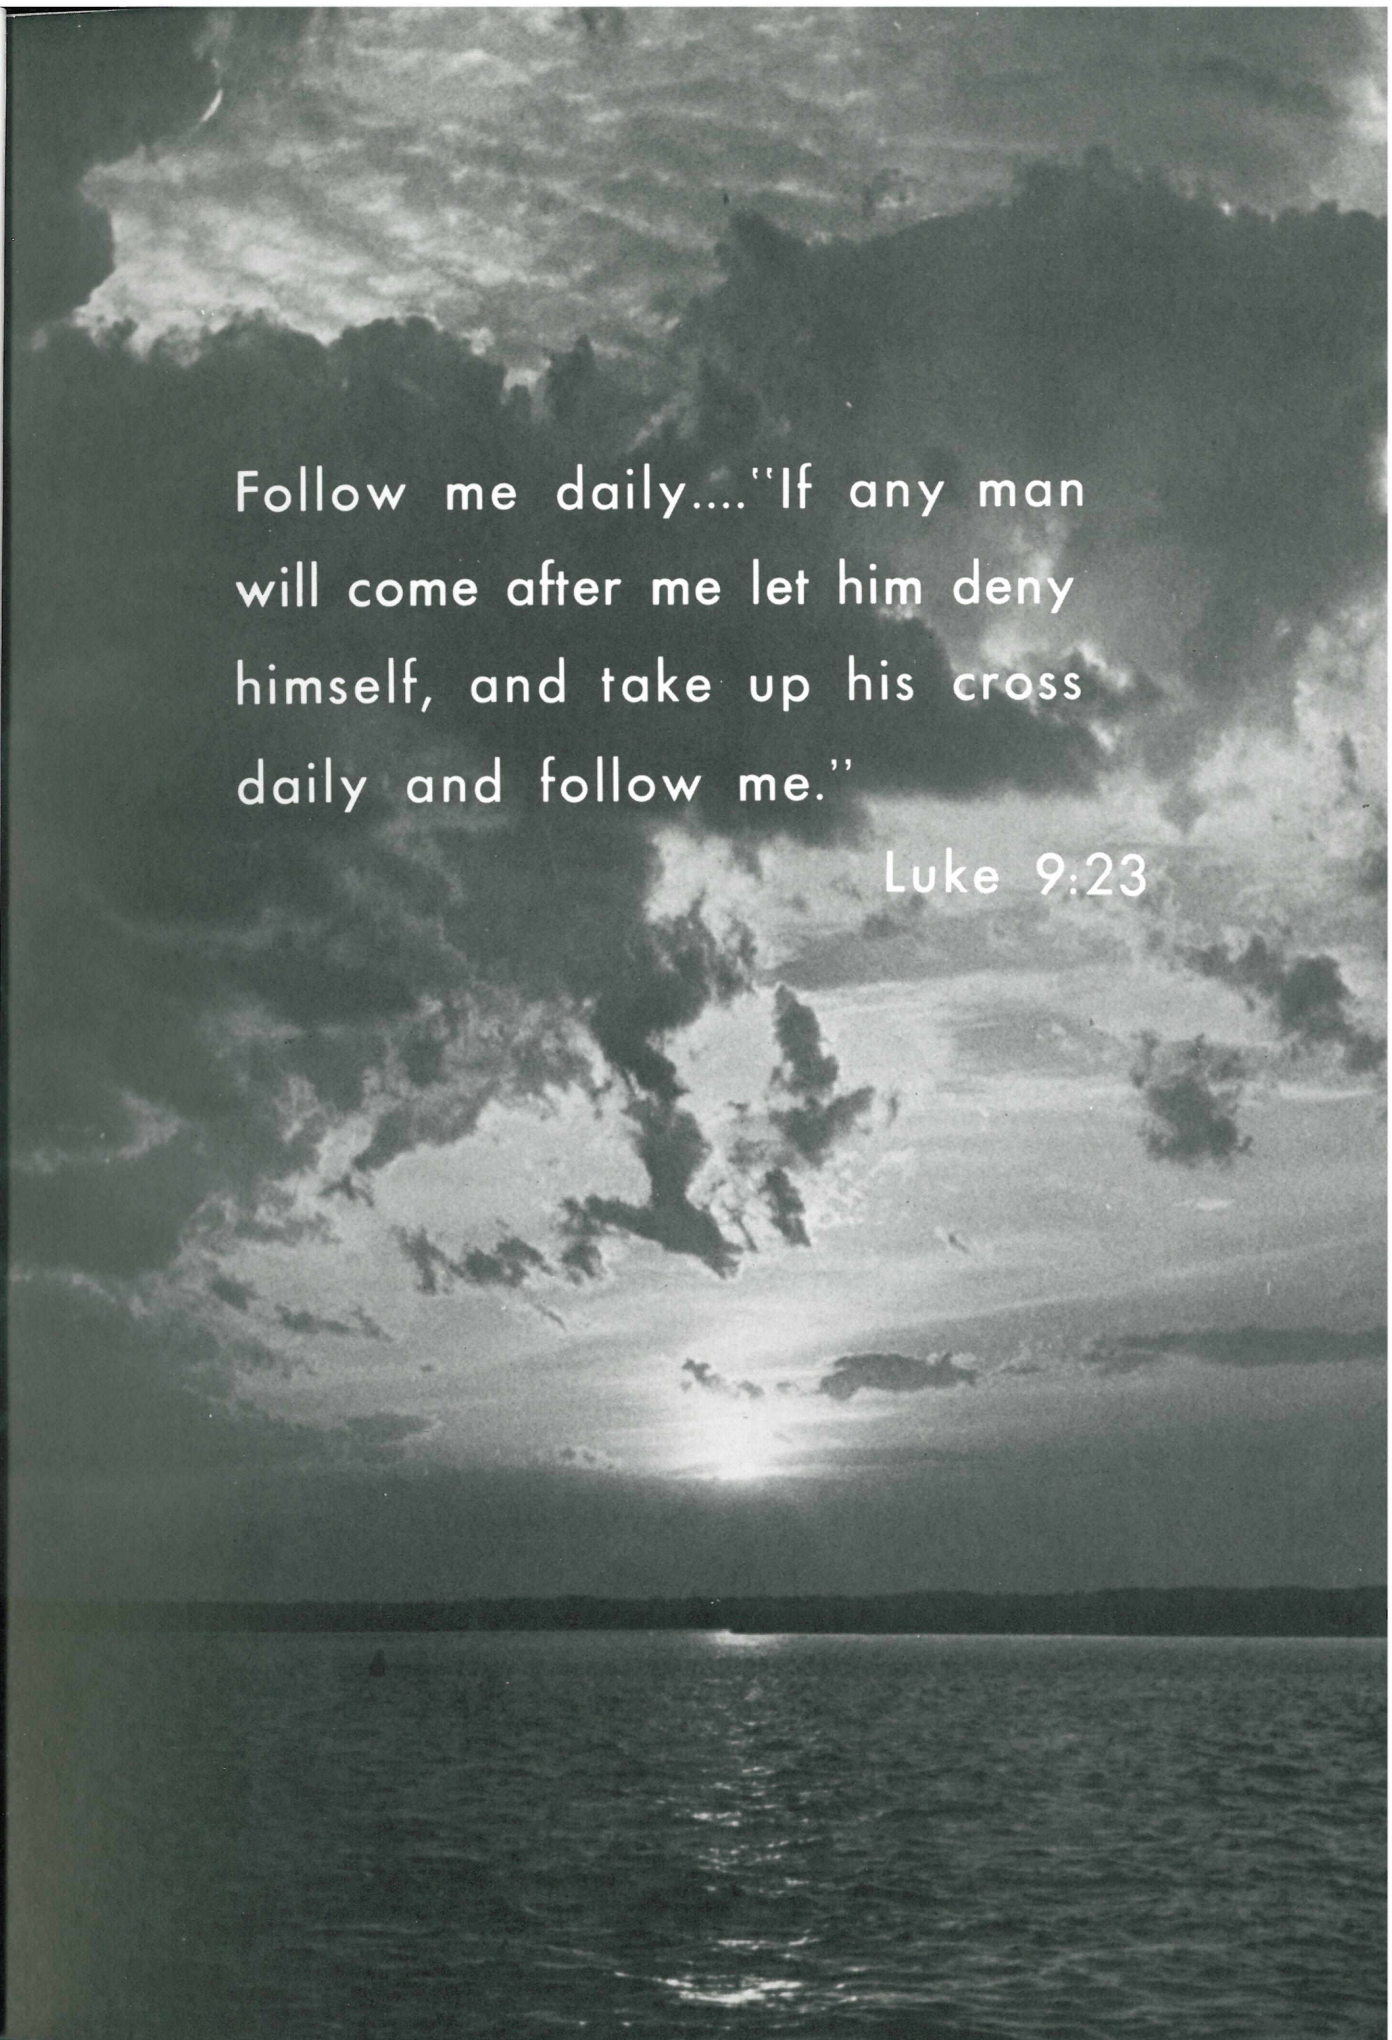

My Day of the future will doubtless be on the mission field, so today it is Missionary Principles and Practice, Bible Basis of Missions, Non-Christian Religions and Cults. To make this day live, it is also a day when missionaries come and make the fields and their needs so real to me.

My Day delves back into amazing annals of Church History, the "deep things" of Theology, the thrill of Sacred Music, and the challenge of Greek, that 'perfect' language.

My Day may be spiced with the humor of a skit urging me to buy my cards early, attend the coming social, or sell more Gateways.

My Day is now a class, then a counselling session with a faculty member, an hour in the library, or a field work assignment.

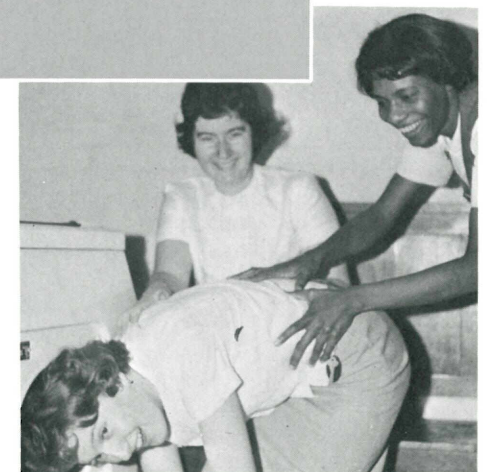

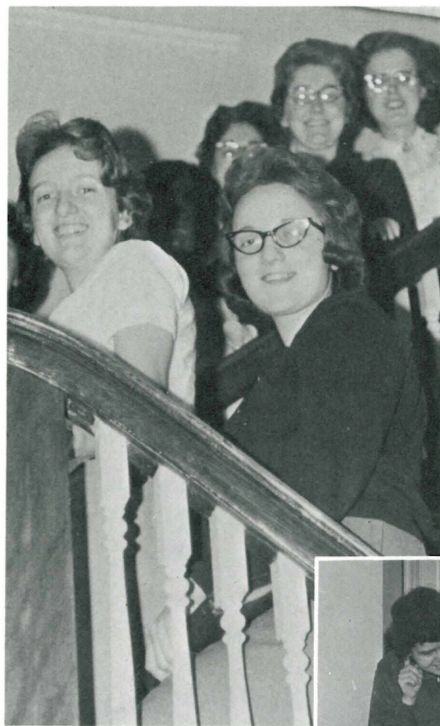

My Day is full of prayer, preparation, and service, that all my days I might be faithful to Him, "every day, every hour".

Follow me daily.... "If any man
will come after me let him deny
himself, and take up his cross
daily and follow me."

1 Thes. 5:24.

What a comforting and encouraging thought it is to realize that we have been called by God! We do not go out from T.B.C. into Christian service because we feel that we have talents that can be exercised in that area, or even because of a realization of the great need that exists in the world, but because God has called us and has chosen us. We also know from the word of God, and our own experience, that He is faithful and we therefore have the assurance that He will fulfill His purpose in and through us.

"When He shall appear, we shall be like Him." 1 John 3:2.

As children of the heavenly King, we look forward to the time Christ will come again. But until then, it is our duty and privilege to follow His will and serve Him here on earth. Through our training at T.B.C. we have been better prepared to do so.

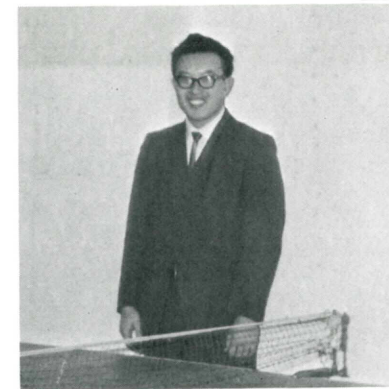

Through this preparation we have been made greater targets for Satan. As only the genuine diamond will sparkle under water, only the genuine Christian will shine through the waters of persecution. Let us pray that we might grow more Christ-like, reflecting Him, as we deny ourselves, take up our cross daily and follow Him.

Mr. W.H. Crump

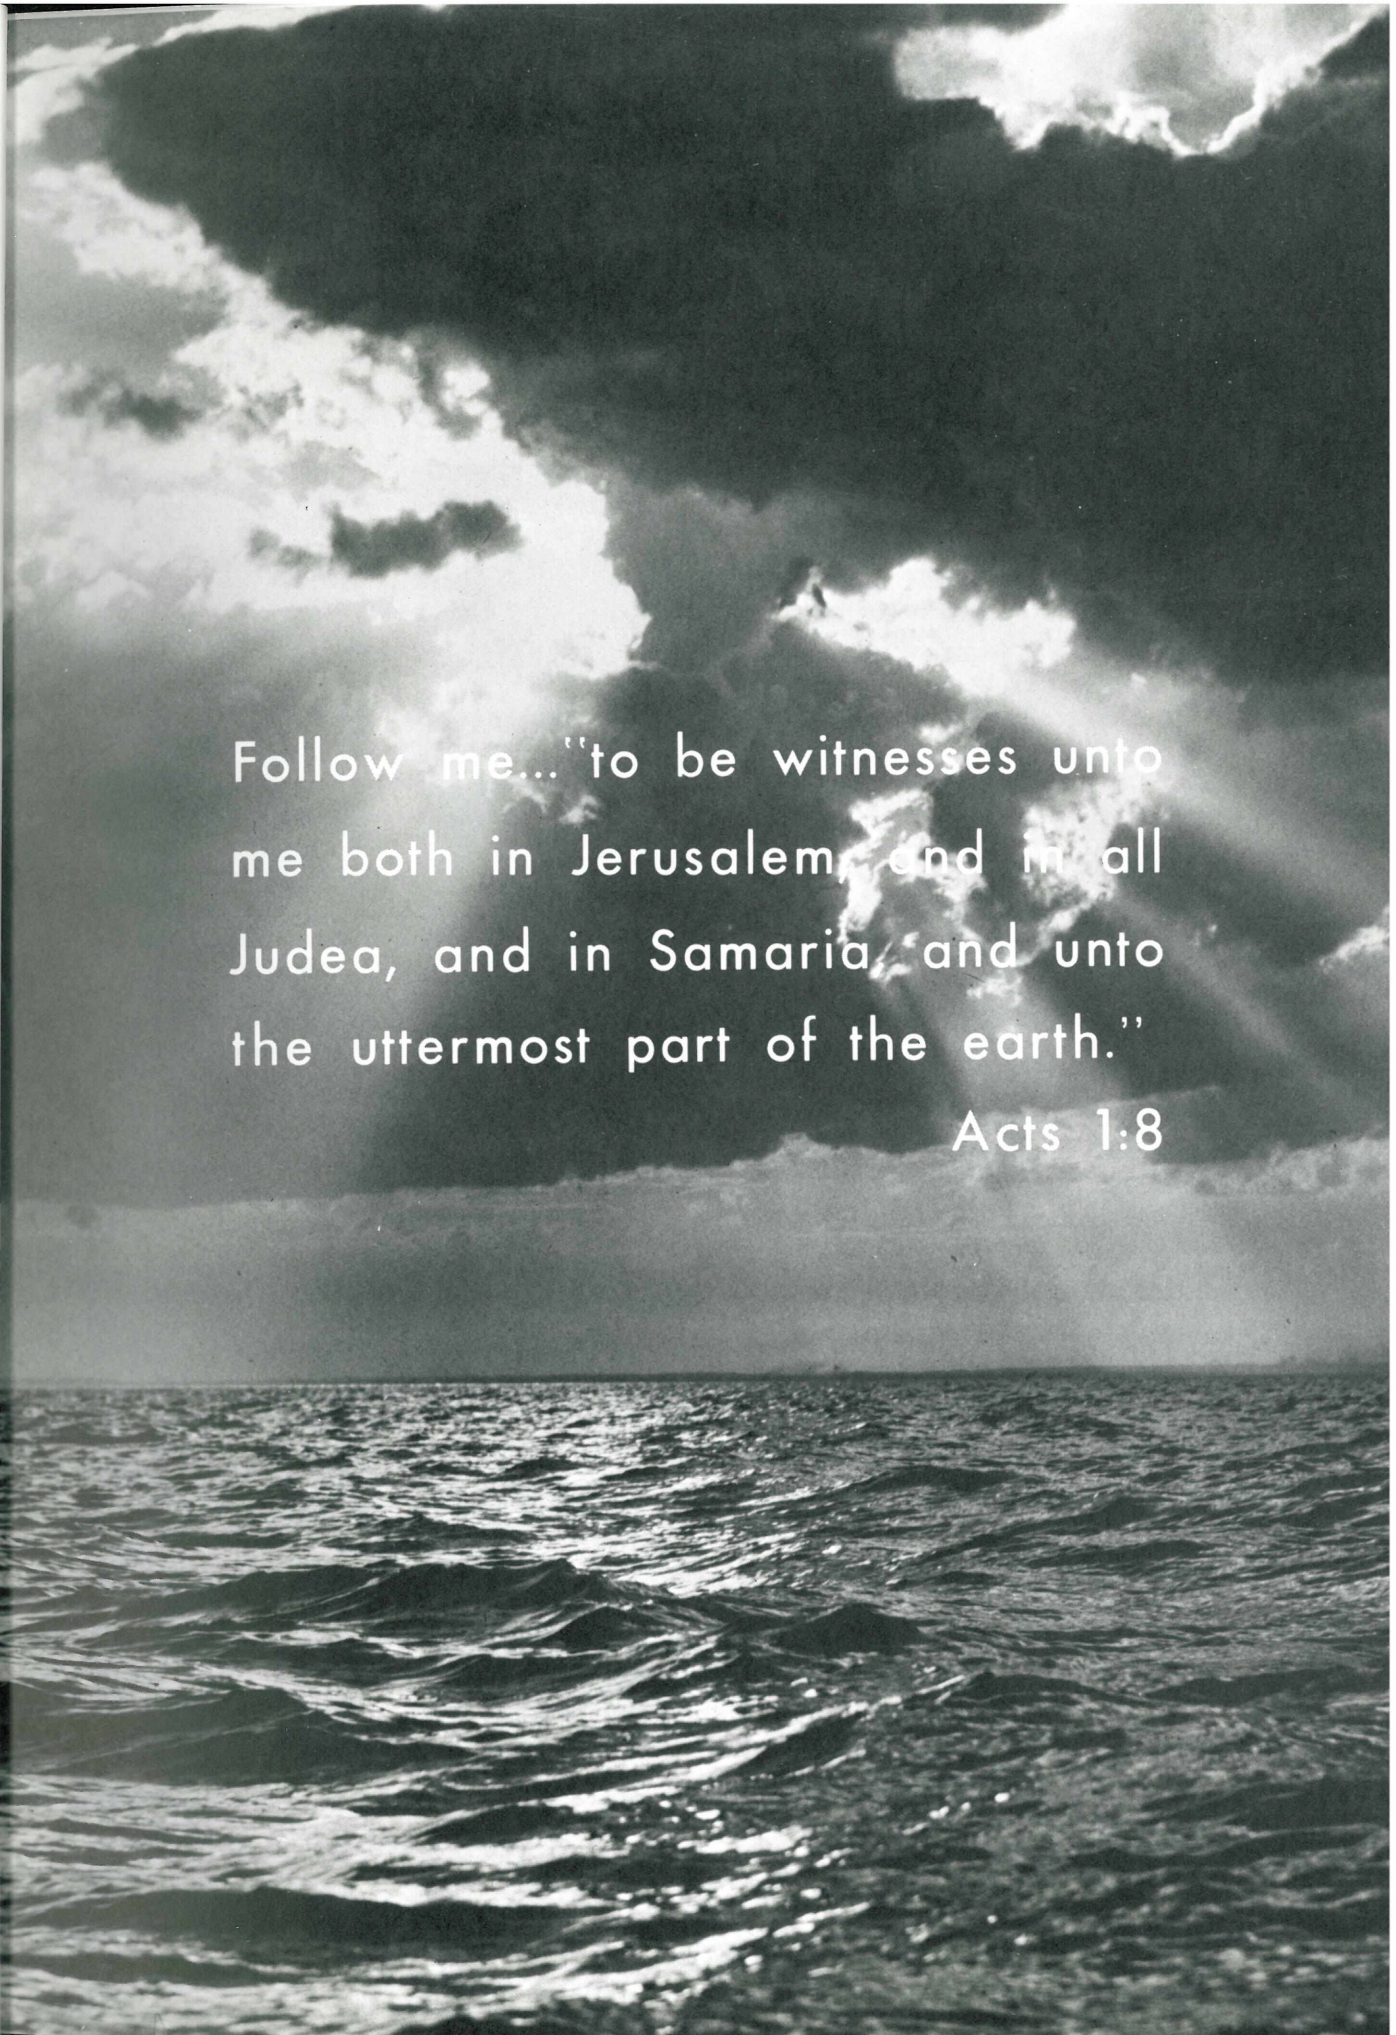

Within the last words spoken by our Saviour before the cloud received Him out of the sight of His disciples, there is defined the sum total of all Christian service, simply, that His followers be witnesses unto Him.

The Class of 1964 now joins the T.B.C. alumni family scattered around the world, which expresses within its membership practically all phases of Christian witness. As the graduates of '64, in their response to the call of God, spread themselves across the world, they will be found in different occupations, translating their dedication and training into many types of service, with but one end in view: that they might be faithful witnesses of Jesus Christ.

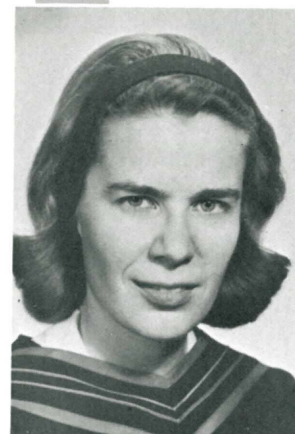

Were we able to follow these harbingers of good news, we would discover them in mission hospitals and clinics, seeking the souls of men through the ministry of healing. We would find them engaged in mobile itinerant evangelism; some in river boats seeking out isolated villages along the river banks - reaching the young through child evangelism and orphanages - as teachers in educational institutions - in Bible Schools, teaching nationals more about the Word of God - in the fields of radio and television, as technicians, musicians, radio preachers, sounding forth the Word of Life - as journalists, Christian writers, printers, translators, literature distributors, meeting the challenge of a world-wide advance in literacy - and in the homeland, as pastors, lay preachers, Sunday School workers, Church administrators, and members of Bible School faculty and staff.

In all these avenues of service, the graduates of the College seek to follow the example of the great apostle who said, "I am made all things to all men, that I might BY ALL MEANS save some."

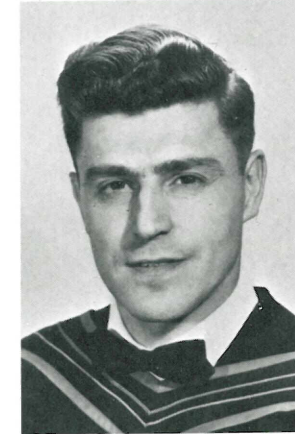

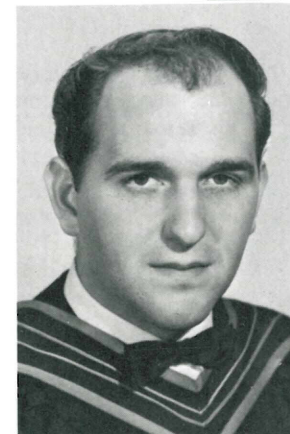

Follow me... "to be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

THE MIRACLE ON SPADINA AVENUE

On Skid Row they say, "If it wasn't for The Scott Mission we'd starve to death." An old gentleman said to us the other day, "I thought to myself a thousand times, what would we ever do without you?"

Last year The Scott Mission served 240,000 men and distributed over 100,000 articles of clothing. On Thanksgiving Day, 1963, four evangelistic services were held, attended by 1,122 men, all of whom enjoyed a barbecued chicken dinner.

Just 1,122 men who otherwise would have roamed the city streets, discouraged, bitter and envious, the "have-nots" of our community. Instead they sat in The Scott Mission chapel and heard the Gospel of love, then partook of a delicious Thanksgiving Dinner.

In this way The Scott Mission proves to the poor and homeless that God is love, that God cares and God provides. Each day 1,000 people seek spiritual and material help in The Scott Mission. In Christ's name we extend help to all.

Daily the year around our doors are open to men and women in distress. Should you feel led to help in this practical Christian work, please make your cheque payable to "The Scott Mission Inc." Cash contributions should be sent by registered mail. Thank you and God bless you.

"Rejoice evermore. Pray without ceasing. In everything give thanks; for this is the will of God in Christ Jesus concerning you." I Thess. 5:16, 17, 18.

"COME WIND! COME WEATHER!"

The story of the new sovereign states in Africa today is one of Nations in commotion. But praise the Lord! for such a time as this there are thrilling tales of Churches in formation.

These young churches plead for our help. We are their partners in the Gospel, as they plant churches, train leaders, teach the Word, and brave every storm.

The Chad Republic presents tremendous opportunities for consecrated young people to invest their lives, and dedicated older people to invest their money to the glory of God.

GOD'S WORD FOR A NEW AGE

The Canadian Bible Society has joined with the Bible Societies of the World in the campaign GOD'S WORD FOR A NEW AGE which, in a three-year period, will triple the annual distribution of Scriptures in the world.

The increased distribution of the Scriptures will be carried on in Canada and in some 100 countries. In 1964 an additional sum of \$2,000,000 is required to produce and distribute the Scriptures that are required.

The Bible Society's regular ongoing work of translation, production and distribution must also be increased.

The Bible Society can only meet this challenge with the help of all Christian people.
